Good afternoon Gentlemen

Your letter to Mr Key dated 26<sup>th</sup> November has been directed back to the Electorate office. Mr Key is aware of your concerns and we have had meetings and briefings with Auckland Council, Auckland Transport, New Zealand Transport Agency and the Ministry of Education this year.

We understand you have had various meetings with most of these organisations yourselves. We are monitoring progress but at this point there is not a lot to report back while every agency is going through it's due process. We know they are all very aware of the concerns of the community and have held meetings to hear your concerns and report on where things are currently at.

We will continue to monitor movement on this and will be happy to facilitate a meeting next year but it will need to be when there is new or updated information available to pass on.

In the meantime we wish you all a very merry Christmas and trust the holiday season brings you relaxation and joy.

Kind regards

**Genelle Bailey**  
Electorate Agent for  
Rt Hon John Key  
Prime Minister  
MP for Helensville
